JINO ROHIT

find.jinorohit@gmail.com   **PORTFOLIO**   **KAGGLE**   **MEDIUM**

A self-motivated and highly ambitious individual who loves to think outside the box. An aspiring machine learning engineer, diligent worker and a team player.

EDUCATION

KUMARAGURU COLLEGE OF TECHNOLOGY, COIMBATORE   [2019-2023]

B.Tech in Computer Science and Engineering   CGPA – 9.86

THE INDIAN SCHOOL, KINGDOM OF BAHRAIN   GPA – 9.3

TECHNICAL SKILLS

Python, Data Structures, Pytorch, Pytorch Lightning, Fastai, SQL , AWS EC2, Flask, Shell Scripting, Excel

WORK EXPERIENCE

- **Machine Learning intern : AiCrowd**   [Mar '22 – Present]
  Involved with making strong baseline codes for the participants who take part in the AiCrowd Competitions.
- **Machine Learning intern : TMLC**   [Oct '21 – Dec '21]
  Extensively researched and built a periocular identity recognition system using the state of the art Vision Transformer VIT.
- **Computer Vision intern : TRIZ AI**   [Sept '21 – Dec '21]
  Involved with training a door anomaly system for homes where I work end to end from data collection, labeling and training object detection models (Yolov5)
- **Machine Learning Engineer intern : KC.IRI**   [March '21 – Present]
  Responsible for building deep learning models for all-terrain autonomous vehicles.
- **ML Developer: AiVirex**   [June '21 – July '21]
  Worked on developing a safety system for kids where if the kid's come too close to the screen, it throws a safety alarm.

ACHIEVEMENTS

- Kaggle 2X Expert [Top 3%]
- Winner of Machine Learning Hackathon SRM 2021
- World League Data Semi-Finalists
- Kaggle bronze medal on Petfinder Challenge
- MG Academic Scholarship in College
- CBSE Cluster Champions in Football u-19
